

Safari West

Welcome to the Sonoma Serengeti

Dear Wildlife Lovers,

Welcome to Safari West and thank you for considering us for your next group event! We look forward to meeting you and hosting your group here on the stunning Sonoma Serengeti. We are at your service and here to help you build the experience of a lifetime.

Founded in 1993, Safari West has since become one of the premier wildlife destinations in the United States. Between our expansive wildlife collection and the natural beauty of the woods and hills of Sonoma County, Safari West truly is the closest you can come to Africa without going there. Your group will discover a 400-acre wilderness with over 900 animals representing 90 different species roaming across some of the largest enclosures in the country. There's a lot to see and do—a truly unique opportunity for a great experience.

Safari West's goal is to ignite wonder, curiosity, and hopefully, compassion. Our mission is to inspire wildlife advocates who will help us protect and preserve these beautiful and often endangered creatures. Our dedication to conservation, environmental education, stewardship, and individual responsibility shows in our many ongoing projects and programs. We would love to welcome your group to join us in this worthy pursuit.

Safari West Lodging (or Glamping)

If you've ever dreamt of spending the night on the African plain, then you'll love camping at Safari West. We have 30 luxury tents imported from Lobatse, Botswana. The heavy duty canvas walls and mesh windows lend a rustic air to an otherwise lavish experience. Each tent easily houses 4 to 6 occupants with a variety of bedding arrangements from a single king to side-by-side doubles to a double bunks arrangement that are spectacular for families. Whatever your particular arrangement, we've got a tent for you.

Each tent sits atop a high wooden platform with private decks providing panoramic views of your own slice of Africa in the heart of Wine Country. Inside the tents polished copper basins shine in the en suite bathrooms which also sport hot showers and real toilets. Polished hardwood flooring sets off the hand-hewn furniture, and ultra-plush linens adorn the comfortable beds. Each tent is even wired for electric allowing ceiling fans in summer, heating in winter, and numerous outlets to meet all your charging needs. The Safari West tent camp features 30 tents with an additional cottage available on request. A full continental breakfast compliments all overnight stays.

Dining on the Sonoma Serengeti

All this adventure builds up quite the appetite! Satisfy it at the Safari West Savannah Café. The Savannah Café provides a hearty continental breakfast to tent guests as well as barbecue lunch and dinner by reservation. The daily menu consists of selections of deliciously grilled chicken, pork, or beef prepared on our custom built outdoor barbecue pit accompanied by a variety of sides. There are always several kid-friendly selections to choose from and we can accommodate most dietary concerns. What's more, we offer local Sonoma and Napa county wines as well as an impressive selection of beers; many of them brewed locally! Diners at the Savannah Café can enjoy their meal indoors in the Elephant Room, surrounded by authentic African murals and carefully curated artifacts, or they can enjoy the veranda with its panoramic views of the flamingo ponds and aviaries. Whether dining around the barbecue pit or out at Flamingo Landing, guests are certain to enjoy the backdrop of our ambling giraffes as they dine. For those on the go, there are also options for a quick refuel at our very own Delilah's Snack Shop.

Go on Safari!

Adventure abounds as your group sets out in one of our rugged, open air safari vehicles in search of zebra, wildebeest, rhinos, ostrich, and more! You'll roam through steep sided canyons, over rolling hills, and across open savannas on your quest. With terrain similar to that of untamed Africa, our vast herds are free to range virtually undisturbed over hundreds of acres.

Not everything can be experienced from the back of a truck, so your guide will also take you exploring through our open-air aviary and throughout our lower grounds where you'll see cheetahs, lemurs, birds from around the world, and several monkey species.

Safari West proudly offers a variety of different tour options with variable pricing depending on the day of the week and time of year.

Private Safari Tour: Our classic excursion, this safari includes a 30–45-minute walking portion plus the 2-hour exploration aboard one of our safari vehicles.

Winos & Rhinos: Perhaps our most popular add-on, on a Winos and Rhinos safari, the driving portion includes a special break to sample local wines and carefully paired fruits, nuts, and artisan.

Royal Winos & Rhinos: A step up to Royal makes for a more substantial tasting experience. Alongside the curated wines on offer, your team will enjoy paired appetizers like crab cakes, filet mignon sliders, salmon on toast points, and an assortment of artisan cheeses.

Brews & Buffalo Tour: Is your crowd more about beer than wine? Then this adventure is for you. Instead of local vintages to accompany your appetizer platter, enjoy a variety of locally-produced brews.

Private Twilight Safari Tour & Chef's Dinner: Our most exclusive offer ensures that your driving tour takes place in the late afternoon. Following your private excursion, you'll enjoy a private dining experience at a location of your choosing. Locations include the Watusi Lake overlook and the balcony at Treetops Aviary.

Tours are generally offered at 9am, 10am, 1pm, 2pm, and 4pm. Whereas our tasting tours such as the Wino's & Rhino, Brews & Buffalo are offered in the afternoon at 1pm, 2pm or 4pm, lastly our Private Twilight Safari is only offered at 4pm. Please note that the times listed above are subject to availability.

All tours are weather dependent.
